

# ColdFusion Components

Also see our [Neptune Framework](#).

The following components are all freely available through your choice of [GNU Lesser General Public License](#) or [Academic Free License](#). [Let me know](#) if you have any questions about the license.

If you have any problems or make any changes, I would appreciate a note.

DataMgr can now be downloaded from the [datamgr.riaforge.org](http://datamgr.riaforge.org)

**com.sebtools Package** ([Download](#)) ([Documentation](#))
